Featured Experience

Nuova Alba - Visioni | Personal Exhibition

Exhibition • Apr 2024

Nuova Alba is a cultural association dedicated to art, live events, exhibitions, and clubbing. I had the opportunity to showcase some of my interactive and immersive installations, offering audiences an experience that blends creativity and technology.

Videocittà | Live A/V

Festival • Jul 2023

Videocittà is an annual festival celebrating digital vision and culture at Gazometro of Rome. I had the privilege of performing a multimedia project, FORMA, an immersive series of three audiovisual live sets that merge sound and visual.

Effetto Domino | VJ Set

Event • Jun 2023

Effetto Domino is an event that honors the excellence of dance, a format focused on artistic experimentation, aimed at promoting and supporting the new generation of Italian dance. For this event, I contributed as a VJ with various visuals that accompanied the performances.

Bright Festival | Backstage

Festival • Apr 2023

Bright Festival is a cultural event that promotes digital creativity on an international level through educational activities, exhibitions, shows, and performances in digital art, lighting design, and electronic music. During the festival, I worked as an assistant for various installations, connecting with artists and immersing myself in the festival's environment.

Studies

IED Roma | Bachelor's degree in Media Design

2021 - 2024

Plinio Seniore | High School Diploma

2014 - 2019
